

Swimzi unisex size guides

Our swimzis are unisex and are therefore designed to fit both males (Michaels) and females (Missys). The beauty of the swimzi is the flexibility of how you wear it - zipped high, zipped low or even with the arms tied around the waist (so 90's)!

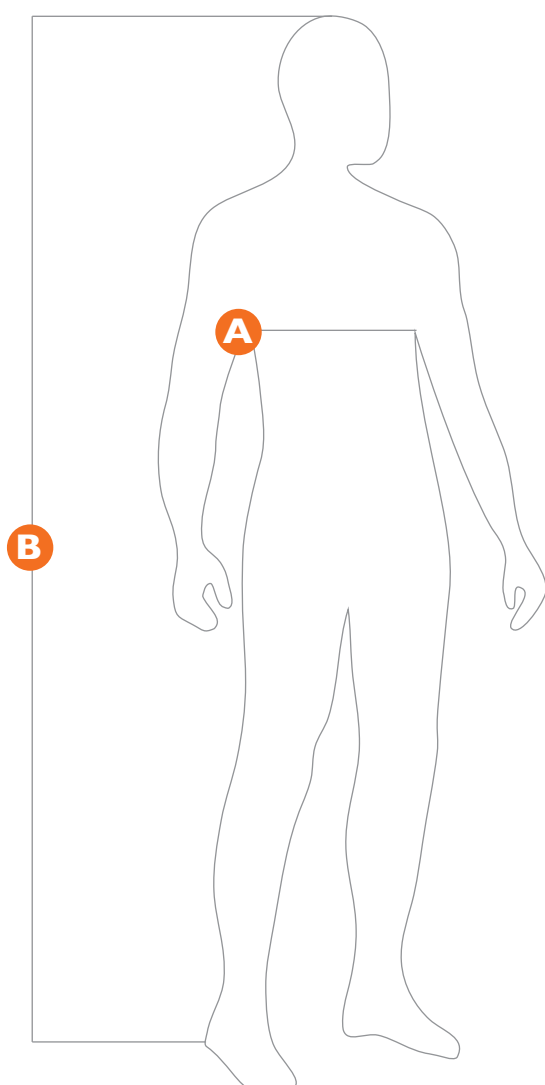

Made from super soft, premium cotton-rich jersey the Swimzi is a must-have for travelling to meets, throwing on between races, or eating pizza on the sofa.
