EVENT WELCOME

Dear All Swimmers, Parents & Friends

Thank you for entering the City of Salford Potential Olympian Meet 2022.

We are delighted to see so many teams coming back to race at our competition, and some new faces and clubs wanting to come and show off their skills at a Salford meet. We are sure you will have a thoroughly enjoyable time across the weekend.

We have many volunteers and officials running a meet for the first time – we thank them for coming forward to help and also ask for everyone's kindness and appreciation both prior to and during the meet. We also have many volunteer officials from our visiting clubs, and we would like to thank them for their support.

Please read the below information carefully and get in touch if you have any questions. All entries have been accepted – and the timing of the warmups / sessions have been altered slightly due to pool timing constraints.

Best of luck to all the swimmers that are competing.
