### **The Meet:**

The meet will be held under Swim England Technical Rules and is licensed to level 3. All swimmers should be members of a club affiliated to Swim England at Category Club Compete (old Cat 2) Level.

The Female category is for birth sex females in accordance with Swim England's Transgender and Non-Binary Competition Policy. By entering the 'Female' category, a swimmer confirms that their birth sex is female.

The programme will cover 50m, 100m, 200m events for all strokes and all age groups. The 400m, 800m and 1500m events **will not** be available to 9 and 10 year olds. (800m & 1500m will both be mixed events, but the awards will be separate for Male/Open and Female.

Entries will be seeded on a slowest to fastest time basis for all age groups within an event.

Entry times should normally have been achieved in the twelve months prior to the event and converted to short course. It is not essential however, that entry times have been achieved at a previous licensed open meet. Any submitted times must have been achieved at an agreed club time trial / timed event or endorsed by the club coaches.

As event organisers, we rely on integrity and accurate times being entered to ensure fairness to all swimmers. Your cooperation in this matter would be greatly appreciated. Entries that do not meet the attached Qualifying Times for that event will be rejected.

*If a 50m (long course) time is to be used this must be converted to 25m (shortcourse) times using Swim England Equivalent Performance Tables or Sportsystem Equivalent Times Converter electronic programme*

All events will be heat declared winners within the prescribed age limits.

### **Spectators**

To avoid overcrowding we would encourage there being one parent per swimmer in the spectator gallery. No swimmers are permitted in the spectator gallery.
