# EVENT WELCOME

Dear All Swimmers, Parents & Friends

Thank you for entering the City of Salford Potential Olympians meet 2024.

We are delighted to see so many of you back to race at one of our competitions. We are sure you will have a thoroughly enjoyable time across the weekend.

Warm up times have had to be amended to alleviate the number of swimmers in each warm up session so please take note of the new timings below

The centre will open to swimmers/coaches at 7.15am. Spectators are asked to form an orderly queue up the stairs until 7.30am when you will be able to pay and enter the spectator area.

We have many volunteers and officials running a meet for the first time – we thank them for coming forward to help and also ask for everyone's kindness and appreciation both prior to and during the meet. We also have many volunteer officials from our visiting clubs and we would like to thank them for their support.

Please read the below information carefully and get in touch if you have any questions. All entries have been accepted – and the timing of the warmups / sessions are below.

Best of Luck to all swimmers who are competing
