If the meet is oversubscribed then the first-come-first served basis will initially be used to reduce entries. It may also be necessary to reduce entries by reducing the consideration time or by any other method thought appropriate. Entries will be considered from swimmers who meet the consideration times. Swimmers that don't have a formal time from the Swim England rankings may submit a time based on a realistic forecast of current form. This will enable more accurate seeding for the swimmer.

- 15 A totally Cardless system will be used. After the closing date for entries confirmation of entry will be posted on the website and in addition the Competition Secretaries will receive by e-mail confirmation of which events their club's swimmers are swimming plus details of how to withdraw from an event should the need arise.
